

Thorne Nature Preschool-Boulder

Fact Sheet

Location: East Boulder Community Center

Ages: 3-6 years old

Time: 9:00AM - 1:30PM for a 4-week session

Session A: June 10-July 5 & Session B: July 8-August 2

Description

Thorne Nature Preschool Summer Sessions are the perfect introduction to exploring outdoors for budding nature lovers.

Students will spend the day playing, exploring the creek, meandering along the trail on adventure walks, sharing stories in the shade of the cottonwood trees, creating new friendships, filling their journals with pictures and words, connecting to the land, and so much more! Each session, themes and projects will be driven by student interest, and supported by skilled teachers, so children can return for multiple sessions and learn new things each time!

A 6:1 maximum student-to-teacher ratio will ensure your child receives all the attention and care they need while they get used to attending preschool and learning and playing in nature. Please remember, **children must be fully potty trained** before their first day of preschool summer sessions.

We look forward to spending time in nature with your children this summer!

Packing List

Students will carry child sized backpacks with their belongings as they walk to and from the outdoor learning area along the creek. Extra gear and water bottles can be placed in the wagons that carry our supplies.

Please label gear and clothing with your child's first and last name.

The following list is required to bring daily for all TNP students:

- _____ **Backpack:** Sized to fit your child and that can hold their personal belongings listed below (excluding food and water).
- _____ **Warm layer:** Light weight fleece or sweater for cool weather
- _____ **Rain jacket:** Important to bring every day, because weather can change suddenly.
- _____ **Changes of Clothes:** Children get wet playing in the creek and can have accidents. Please make sure your child has 2 changes of clothes (pants/shorts, shirt, underwear, socks, and shoes in a small dry bag, plastic reusable bag, or a wet/dry bag.)
- _____ **Shoes:** Sturdy and comfortable for exploring on land.
- _____ **Water shoes:** Any type of shoes that can get wet and muddy such as boots, water sandals, an old pair of tennis shoes.

Note: To prevent the spread of the invasive New Zealand mud snails that are present in S. Boulder Creek, water shoes must be left at preschool for the entire session and then cleaned thoroughly and treated properly (freezing overnight, drying - preferably in direct sunlight – for at least 48 hours) before being used in another body of water. Find out more on the City of Boulder information page on [New Zealand mud snails](#)

- _____ **Sun Hat**
- _____ **Sunglasses**
- _____ **Water Bottle:** Full and non-leaking. We will have water for refills as needed.
- _____ **Lunch:** Please pack a healthy lunch in a reusable container as we strive to be zero waste.
- _____ **Snack:** Please pack separately from lunch in reusable container.
- _____ **Stick Sunscreen:** Pre-applied and labeled with your child’s first and last name for the teacher to keep at school and reapply throughout the day.
- _____ **Insect repellent:** Pre-applied if desired and labeled with your child’s first and last name

Do NOT Bring: toys from home, electronics, or other valuable/important items.

Parent Communication:

Your Thorne Nature Preschool Teacher will use [Telegram Messenger](#) for regular communication. This platform is free, easy to use, and allows the teachers to connect daily with announcements, updates, photos, and stories from the day. It also is the **best way to reach your child’s teachers for questions, absences, and late arrivals**. There is a messaging system within the app, which can be used like text messaging. You can download the app [here](#). Prior to the start of the session, you will receive an email from the Preschool Coordinator or Preschool Manager with a link to join your child’s class.

If you do not have a smart phone, please contact the [Preschool Manager](#) (lorene@thornenature.org) to discuss alternative options

for communication.

Typical Daily Schedule

Starting an adventure without parents can be scary. To ensure that children approach this transition with confidence and trust, we want to be sure that your child knows what the day will be like and options for when to say goodbye. Here is the schedule we follow most days. Please note that the schedule is subject to change based on the weather and needs of the group.

Note: Our only access to indoor plumbing is at the East Boulder Community Center. Most days we will be away from the EBCC from 9:45 am-12:45 pm. Thus, we ask parents to ensure their children's bathroom needs are taken care of immediately prior to leaving home and/or upon arriving at the program to avoid any accidents or needing to walk the child back to the EBCC to use the facilities.

8:50-9:00	Arrival; Parents Help Their Child Use Bathroom
9:00-9:15	Sign-in; Welcoming and Greeting
9:15-9:35	Gather at the Stump Circle for Morning Circle
9:35-9:50	Snack and Story
9:50-10:15	Walk to Outdoor Learning Area
10:15-12:15	Child-led Nature Play and Exploration with Curriculum Offerings and Mentoring from Teachers
12:15-12:45	Clean up/Pack up; Walk back to East Boulder Community Center
12:45-1:15	Bathroom/Handwashing/Lunch
1:15-1:30	Closing Circle
1:30pm	Parent pick-up

We will have plenty of adults available to help if children are feeling upset after the goodbye. Our experience is that once children become engaged with classmates and the routine activities of the day, they settle in quickly.

Options for When to Say Goodbye:

- After helping your child use the bathroom/during the Welcoming and Greeting time.
- When the group begins to gather for Morning Circle.

Thorne's Behavior Expectation Statement:

Our philosophy is to provide a joyful, safe space (physically, socially, and emotionally) to explore and learn about nature. We believe Thorne is a community where children can both connect to nature and develop life skills, like making good decisions and being responsible for actions. We practice Social Emotional Learning, inclusiveness, respect for others, and bully prevention with the knowledge that the well-being and safety of children is fundamental to enjoyment of the experience and nature connection.

Anti-Bullying Statement:

Bullying is considered unacceptable at Thorne Nature Experience. Bullying is defined by The American Camp Association as "when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another." Bullying can occur "overtly and directly, with physical behaviors, such as fighting, hitting, or name calling, or covertly through emotional-social interactions, such as gossiping or leaving someone out on purpose." Thorne determines consequences for bullying on a case-by-case basis. Depending on the severity and consistency of the behavior, parents may be asked to immediately come and pick up their children for the day. Thorne reserves the right to suspend a child for one day up to permanent termination as they feel it necessary to maintain the integrity of the experience for all students and staff. In this case, no refund will be issued. See Thorne's Parent Handbook for the detailed behavior policy.

There is a \$15.00 fee for Extended Care cancellations.

Message from the Preschool Manager

Dear Nature Preschool Families,

I want to offer my gratitude to you for choosing Thorne Nature Preschool for your children. There is much to look forward to: the discovery of new places and natural wonders, mentorship from teachers, friendships with fellow students, resilience through overcoming challenges, and a peacefulness from finding one's special place. Our teachers and management work to structure the program to be exciting, interesting, and safe. However, each day will be different and enhanced by the wild things the groups are bound to encounter. My hope is that exciting stories of adventure and connection will make it home to you each night. I also hope your children will form cherished memories to carry with them into adulthood.

It is my own childhood memories of exploring nature that feed my love of the earth.

Yours in Nature,

*Lorene Wapotich
